Jubilee Celebration at Lanhydrock

Thanks so much for entertaining us all on Monday. I didn't think you'd get ANYONE on to the floor ... but how wrong was I!! I've had nothing but enthusiastic comments by way of feedback, and I'm sure you'll find yourselves back from time to time. Well done to all of you: and thanks for helping to make the Celebration the success it was!

We just thought we'd drop you an email to say thank you to the brim for helping make our wedding such a success. The performance you gave us was exactly what we wanted and you certainly got everyone up and dancing! We have had no end of compliments from our guests saying how fantastic the ceilidh was and we would not hesitate to recommend you to others. Hopefully we can think up another excuse to have a ceilidh very soon

I had a wonderful birthday party last week and I just wanted to thank you, and The Brim for providing the music etc. I had a great time and so many of my guests have contacted me to say how much they enjoyed themselves too. You just can't beat a barn dance for getting people to mix and it's a guaranteed ice-breaker!

Thank you so much guys, you were awesome! Everyone was commenting on how great it was, dancers(in the loosest sense of the word) and onlookers alike. A great time was had by all. Thanks for making it such a fun atmosphere for everyone

A ceilidh was the perfect way to end our wedding celebrations after a weekend of memories with close family and friends. I have honestly never laughed so much and you have certainly converted many of our guests, so much so that our bridesmaid, who had injured her ankle and couldn't join in, has insisted we go to one as soon as possible! The music, calling and general good nature you encouraged really did make our weekend truly perfect and we will certainly recommend you in the future.
